WELCOME TO HIGHCLIFFE SCHOOL CAREERS FAIR 2023!

We have a fantastic range of exhibitors including employers, colleges, universities and training providers all located in the main hall, gym and performance hall.

The aim of this event is to:

- Provide students with appropriate advice and guidance so that they can make informed decisions about their next steps after leaving school.
- Give students the opportunity to broaden their minds and horizons in terms of career choice, raising awareness of the range of careers that are accessible through different routes.

Please make the most of this opportunity and talk to lots of exhibitors.

Whilst every effort has been made to ensure that the programme is accurate at the time of going to print, there will inevitably be changes on the day that may differ to those detailed in the programme.

The table plans are a rough guide to the layout in the halls and may change on the day due to larger than anticipated stands.

Please check with a member of staff if you are unable to find the stand you are looking for.

If you would like to speak to our Careers Adviser, please ask a member of staff to help you locate Mrs Wilson or alternatively ask for an appointment slip which you can complete and leave at reception so Mrs Wilson can get in touch after the event.

Members of staff will be on hand if you need any assistance. The list on the following pages provides you with details of which exhibitors are attending and where they are located.

POTENTIAL QUESTIONS FOR EXHIBITORS
