

Highcliffe School Student Bulletin

Monday 19th - Friday 23rd October 2009: **Week A**

Thought For The Week:

Be the change you want to see in the world - Mahatma Gandhi

Many thanks to all our students who helped make last week's Open Evening such a success!

Shoebbox Appeal: This week we will be launching our annual Shoebbox Appeal, where we will be making up shoeboxes of gifts for underprivileged children across the world. We would hope that each tutor group could collect together 10 boxes, and we will only have 3 weeks to do this in!

Look out for more details next week and get involved! Let see how many children we can make a difference for this Christmas!

The Big Walk Sponsorship Money: Thank you very much to all of you who have collected and handed in your sponsorship money raised by The Big Walk last term.

If you have still not brought in the money, please hand it in, together with your sponsorship form, to the Finance Office as soon as possible. If you have lost your original sponsorship form, we have a copy and can give you a replacement. You need to see Mrs Kennedy if this is the case or if you have any other problem regarding returning the money.

UK Youth Parliament Elections 2010 (Mrs Stone): Any student in any Year group who would like to find out a little more about standing for election as the Dorset representative on the UK YP please see Mrs Stone as soon as possible. Names of students who are interested and consent forms signed by parents have to be sent off to the Dorset organisers by Thursday. Being a MYP is a rewarding and challenging experience and provides those elected with some fantastic opportunities. However it is quite a commitment.

From this week onwards on Tuesday lunchtimes there will be **Gym And Trampolining Club** for Year 7 and 8 girls. All abilities welcome. Thanks, Mrs Webber.

There will be a **Careers Morning** held in the Hall on Tuesday 20th October (during periods 1-4) with nearly 20 different representatives coming from a wide range of professions to help answer questions that students may have about their careers and related jobs. Year 11 will be released from lesson during period 2, half a year at a time. 6th form students will be attending during period 3 (PHSE). Both groups will use the time to answer relevant questions on a worksheet, to help them with choices they will make regarding future courses and subject choices. Year 10 will be given priority to visit the Hall at break time if they have questions that could help them with their work experience preparation. Tuck will be from the dining area of the Hall.

There will be students from Ballard School attending the event during periods 1 and 2. Please make them feel welcome if you see them in the corridor.

The Sixth Form are putting on a production of "An Inspector Calls" for Year 11 students on Thursday 22nd periods one and part of period two; you will have assembly on Thursday on that day so that you are already in the hall ready to watch the production; please remember that you are expected to watch silently as you would in a theatre

Relay for Life - A thank you, presentation and launch of Relay for Life 2010 evening will take place on Wednesday October 21st at the City Lodge, Longham at 7.30pm. Team Captains are invited to come along to collect their teams' certificates, find out about next years event and meet up with fellow Relayers. We will also be revealing our final total fundraising amount...
