Year 7 Spelling Bee - Those who achieved the top two places in the spelling test organised by their tutors will have the opportunity this week to take part in a spelling competition in the Library. On Thursday and Friday lunchtime the winners of the tutor spelling competition will compete against each other to find the top four spellers in Year 7. The top four will have the chance to take part in a regional competition ... if they win this they can go forward to a national competition ... Last year, the Highcliffe team won the first round of the regional final only to come a close second in overall. Can we do better this year? To help us on the way, come and support your friends who are taking part in the competition next week! *Mr Bryden*

The Daily Mail are offering your school a great opportunity to pick up some free **Daily Mail** Rugby kit! We can claim **FREE Gilbert Rugby Kit** worth up to £1000 by simply collecting mastheads from the Daily Mail and Mail on Sunday. If you have any copies of the Daily Mail at home please cut out the 'masthead' (the newspaper title at the top of every front page of the Daily Mail or Mail on Sunday) and post it in the box in the collection box in the Library. The school will also have the opportunity for to win a kicking clinic with England kicking coaches Paul Grayson and Jon Callard! So please help with the collection!!

Please can all students in Year 8 and Year 10 who are going on the **Geography visit to the Natural History Museum on Thursday** attend a brief meeting today (Monday 18th January) in Hu1 at 1.30pm. Many thanks, Mrs Mortell.

New Highcliffe Careers Website Launch: As some of you will have noticed the Highcliffe home page on the website has a new addition. There is now a new link to information concerning Careers/WRL and Enterprise. It covers the different activities each year covers for CEG (Careers, Education and Guidance) as well as other information about Connexions services, entitlement statements, weblinks, and different careers-related events. By clicking on the activities/information/resources title you will be taken to another menu that gives advice about job hunting/CV's/interviews and other work related issues. There will be a dedicated section for the 6th form coming soon. Thank you for looking. Mrs. Finch.

Calling all budding netball umpires. There is a Juniors Beginners Netball Umpiring Course taking place during half term at the David English Centre in Bournemouth. Please see Mrs Webber if you would like further details and an application form.
