**School Field:** Students will soon be given permission to go on the school field at breaks and lunch. **Please do not go on the field until this has been clearly announced.**

**Please make yourselves aware of the rules and routines for going on the field:**

- When the field is open, the 'picnic area' at the front of school will also be open for those of you who want to sit quietly away from the ball games and other activities.
- If the red flag is on the field - keep off!
- The bins and tables must not be moved.
- Use the litter bins - do not drop litter!
- Respect each other's personal space - no play-fighting, 'bundling' or contact sports of any kind.
- Rugby / 'contact' sports are not allowed.
- Games of football must have goals.
- Stay away from the sand pits and surrounding area.
- Keep ball games well away from the buildings, fences and trees.
- Stay out of the trees and do not play with cones, branches, grass cuttings, etc.
- Do not congregate next to classroom windows and doors.
- Keep 5 metres away from the perimeter fences, or within the athletic track.
- Students should not throw cricket balls - windows have been broken as a result.

**HIGH 5:** I am delighted to be able to invite you all to the opening of the High 5 facilities on Highcliffe Recreation Ground. The facilities have been in use since Easter but the team who have worked hard to get the funding, feel it would be good to have an official opening. This will take place on Sunday 25<sup>th</sup> April 12.00pm - 2.00pm with the official ribbon being cut by a Bournemouth football player. Weather permitting, there

will be competitions, face painting, music and food to eat. Do come along and meet the footballer, the Mayor and try out the facilities if you haven't done so already. We hope that the area will be well used but also looked after, as the final cost of this project was approximately £65 000 and it took 3 years to get the funding and the plans passed. Mrs. Stone.

**Year 8:** Please can you collect your trench project work from HU7/8 by Friday 30<sup>th</sup> April or else they will go to trench heaven!

**HAVE YOU GOT TALENT???** The **TALENTCALL** team are coming to Highcliffe on 11<sup>th</sup> May. Be a part of the South's largest Talent Competition...all talents welcome .

The first round will be held after school on Tuesday 11<sup>th</sup> May in the Dance Studio - those that make the Grand Final will be invited to perform at Bournemouth Pavilion Please sign up in EX2!

**ASPIRE: Song writer in our midst!**

Congratulations to Samantha Oxborrow (Year 10) who has won a national song writers competition. People were invited to send in their lyrical creations which could take the form of raps, ballads, pop songs and formal poetry. It was a unique opportunity for writers to compose a lyric in the style of their choice.

There were in excess of 1,500 entries from poets across the UK. The judges were looking for creativity, imagination, expression and originality. Samantha submitted her poem entitled 'Flying High' and it has been chosen for publication in 'Looking for Lyrics - Turn Up The Volume', an anthology showcasing the best of the young writers' work. A copy of the book is kept in the British Library and further libraries across the UK and Republic of Ireland. This is a tremendous achievement for Samantha and we hope this is the start of many more successes for her. Well done! Mrs Dedman.
