

Highcliffe School Student Bulletin

Monday 28th March- Friday 1st April 2011: **Week B**

Thought For The Week:

The only job where you start at the top, is digging a hole - Anonymous

School Field: Students will soon be given permission to go on the school field at break and lunch. **Please do not go on the field until this has been clearly announced.**

Please make yourselves aware of the rules and routines for going on the field:

- When the field is open, the 'picnic area' at the front of school will also be open for those of you who want to sit quietly away from the ball games and other activities.
- If the red flag is on the field - keep off!
- The bins and tables must not be moved.
- Use the litter bins - do not drop litter!
- Respect each other's personal space - no play-fighting, 'bundling' or contact sports of any kind.
- Rugby / 'contact' sports are not allowed.
- Games of football must have goals.
- Stay away from the sand pits and surrounding area.
- Keep ball games well away from the buildings, fences and trees.
- Stay out of the trees and do not play with cones, branches, grass cuttings, etc.
- Do not congregate next to classroom windows and doors.
- Keep 5 metres away from the perimeter fences, or within the athletic track.
- Students should not throw cricket balls - windows have been broken as a result.

We have now been able to get **MyHighcliffe** on to the Blackberry Appworld.

This now means that MyHighcliffe can be accessed on:

Android - search the Market Place for 'MyHighcliffe' (this has recently been re-released to support small screens as was not showing for some phones)

Blackberry - download the app via Appworld by searching for 'MyHighcliffe' (or access via <http://m.myhighcliffe.com>)

iPhones/iPods/iPads - download the app via iTunes on your device

Windows Phone 7 - by going to <http://m.myhighcliffe.com> (an app is presently in development and will be released as soon as possible) where you be directed to a Win Phone 7 version.

Other Mobiles - by going to <http://m.myhighcliffe.com> if you have internet on your phone.

For all of these phones you will need your own 'Personal' code that identifies you (this needs to be entered in to the settings for the app). This can be found by going to the page below and turning on MyHighcliffe mobile. Your code will then be displayed.

Any problems or questions please come to the ICT office and we can help you set it up.

Year 10 Work Experience and PWL: Please chase up your work experience placements if they are still not confirmed. This is because any placements that are NOT on the database will need a Health and Safety check and this process can take 8- 12 weeks to be done. We can not guarantee they will be done in time for you to go out if the employer's details are not given to the 6th form office by the end of the month.

All students entered for the PWL exam - please remember that the exam is on the **18th May 2011** (am). Some non-PWL students still need to hand in their coursework. Please forward any coursework, including CV's that have still not yet been done to Mrs Finch as the deadline is the end of term.

Year 11 - Don't forget the MFL GCSE Booster session on Saturday 2nd April from 9.00 to 12.00. Please return the reply slip to Mr Wayth or your language teacher by Wednesday 30th.

Back by popular demand, starting early for next term, dance club will be in the Dance Studio after school on Tuesday (29th March) 3.15pm - 4.15pm, prompt start. The Japanese Students: Mr Bryden would like to thank all students for the warm welcome that the students here at Highcliffe School have given to the Japanese boys. Well done! They will be here for another week so there's still a chance to say "Hello" or "Konnichi-wa" and have a chat with them.
