Literacy Focus - The Spelling Wall

How about doing a quick check of your Spelling Wall on page 197 of your planner?
Quickly get a friend to test you!

Our Japanese friends are coming ... In March, we have 12 Japanese boys coming to visit Highcliffe School. We are looking for 12 families to look after them during their time at Highcliffe School. You will need to host them at your home and look after them during the school day. This is a great chance to make friends with someone from a different culture. Your tutors will give you letters soon. If at all interested, please see Mr Bryden.

Charity Sales outside the Data & Exams Office: If any students are planning a sale to be held outside the Data and Examinations Office please ask the Data & Examinations staff first, to agree a suitable date and time.

RSPB Save the Albatross: Please bring in your used postage stamps to help support the RSPB Save the Albatross Campaign. Collection points are in tutor bases. Thank you.

Numeracy Challenge: What is the Unknown Number?

John thought of a number, which he doubled. He then added four to this answer. Having got this new number he halved it and then subtracted five. This gave him the answer of 7. What was the number he first thought of?

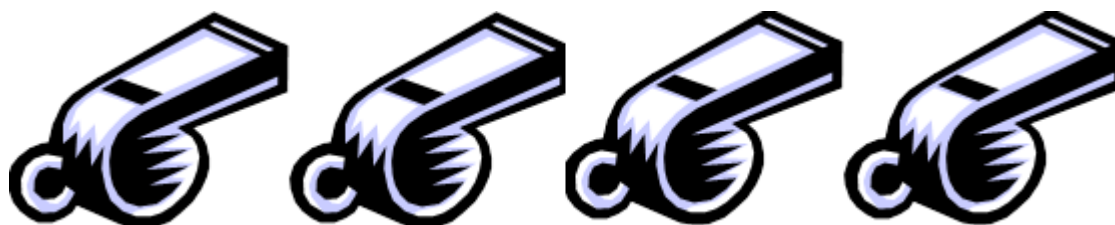

Answers to be placed in the box in MA7 by 1.20pm on Friday 17th January 2014
