

## Highcliffe School Student Bulletin

Monday 22<sup>nd</sup> – 26<sup>th</sup> June 2015: Week B

### General Notices

#### **Highcliffe Challenge (DBN)**

Teachers are receiving lots of requests regarding the Highcliffe Challenge. This is, of course, fantastic: it's great to see so many of you achieving so much. However, please make sure that you check your request to ensure your **spelling, punctuation and grammar is correct!** This is a good chance to practise writing to future employers, universities and colleges etc. Therefore, it is essential that you get the spelling, punctuation and grammar correct. An employer or university would reject your application if there are errors in spelling, punctuation and grammar. You don't want to lose out at the first hurdle, so get into the habit of checking these things for accuracy every time! (If necessary, get a friend to quickly check what you have written.) Mr Bryden

#### **Sharing Your Reading (DBN)**

Are you in Years 7, 8 or 9? Have you read any good books this year? Why not share what you've read, so that fellow students in the years below you can benefit from your knowledge of what good books are out there? Come and see Mr Bryden for a brief meeting about how we can share what you have read at the start of lunch in En1 on Monday 22<sup>nd</sup> June.

#### **Drinks (KTN)**

Please make sure you bring a drink to school EVERY DAY! The weather is improving and you will need to drink more to keep hydrated and prevent headaches. Thank you. Mrs Thompson

#### **Cashless Catering (MDS)**

The catering company have requested that all students make sure they clear any negative balances (overdrawn balances) from the cashless system before the end of term. This can be done using Wisepay or the cash re-valuers.

#### **'Take your Friend to School Day' (Citizenship Students)**

Citizenship students are running a campaign for their active citizenship GCSE called 'Take your friend to school day' on Friday 26<sup>th</sup> June and is open to all year groups. The aim of the day is to lower car emissions by car-sharing. Recent figures below show the importance of lowering emissions

- Air pollution from China can reach across to Central Valley, California because of its expanse
- Car pollution causes 51% of carbon monoxide in the air
- 30,000 people are killed each year by car emissions in America alone

### **Cancer Research (Matt Lillywhite)**

Matt Lillywhite is a year 11 student who is working on a Christmas single for Cancer Research UK. It is the hope that he will break the world record for the most musicians/singers in one song. He is encouraging people from Dorset and Hampshire to feature in this song that will be promoted in front of several million people.

Matt has a musical background as his great uncle, Christopher Gunning, is a Multi BAFTA winning composer. He is hoping to use his background as an advantage in order to raise money for Cancer Research UK. It will feature vocals from UK Top 40 artists and will also be remixed by several well-known DJs currently in the charts. Anyone is able to take part in this single: schools, friends, and individuals of all ages. If you are interested in participating, please contact Matt at [MattSongSubmissions@gmail.com](mailto:MattSongSubmissions@gmail.com). You can also listen to him on BBC Radio Solent, 29th June 6:15pm.
