The Big Walk Sponsorship Money

Our Japanese friends are coming (DBN)

Would you like to make friends with someone from a very different culture and country? In March, we will be welcoming 13 students from our Japanese partner school in Hiroshima, Japan. They will each need somewhere to stay and someone to look after them around school. If you are interested in learning about different cultures and telling people about ours, this is a great opportunity to make friends with someone from a very different culture. If interested, make sure you get a letter from your tutor or see me (Mr Bryden.) You can find me in ML4 in registration and En1 during the day.

The Holocaust Memorial Exhibition (HFH)

The Holocaust Memorial Exhibition is open in the Library. Please can you make a point to visit and read the display material and also to make a personal pledge on the wall to show what you can do to prevent prejudice and discrimination in the world? Please be respectful with the display and consider the reason it is there.

I wonder.....

Is the beach part of the land or the sea?
